## Bio Ener-G

Environmentally friendly and biodegradable, water based degreaser. Specially formulated for the removal of heavy grease & oil. Formulated with naturally derived ingredients that degrade rapidly. User friendly, water based degreaser with no known hazardous decomposition products. Poses none of the transport, storage & handling problems associated with petroleum hydrocarbon based degreasers. Ideally suited for the cleaning & degreasing of heavy machinery, mining equipment, immersion cleaning, the removal of heavy grease & oil, cleaning of contaminated concrete floors. Suitable for use in

## Mr. Bug

Spray or brush on windshields and front areas of vehicles to remove bugs as well as road film. Dilute product according to dispensing method. Highly concentrated.

## Big Red Concentrate AS

Big Red Concentrate AS is a powerful and heavy duty low foaming concrete floor scrubber cleaning solution. Formulated for use in automatic floor scrubber machines. It is also recommended for mopping of floor surfaces or manual cleaning under racking and hard to reach areas. This powerful floor scrubber cleaner solution can be used in the floor scrubber's solution tank to be dispensed onto the floor as a very effective floor scrubber soap. When searching for Industrial floor cleaning chemicals, it's important to use low foaming solutions or detergents, as high foaming soap can damage your floor scrubber machine.

## Concrete Degreaser

Use Concrete Degreaser to remove grease, oil, transmission fluid, adhesive, soil, and other foreign substances from concrete and masonry surfaces. Concrete Degreaser is a proven, heavy-duty floor cleaner and degreasing agent. This concentrated floor cleaner can be diluted with water and pumped through the soap dispensing unit of a pressure washer for highly effective oil stain removal. When used according to directions,

## Envirogreen CR Cleaner/Degreaser

Use industrial strength Envirogreen CR for general maintenance on all surfaces which are not harmed by water alone. Consult suggested dilution chart and vary concentration of solution according to soil conditions. This formula has a lower pH than high alkaline cleaners.

## NEW Mean Green Concentrated Degreaser

Mean Green Concentrated Degreaser is a highly concentrated and effective vandalism remover/degreaser. Economical to use in industrial and commercial applications. Degreases equipment, shop floors and tools. For an all purpose, light duty cleaner it can be diluted up to 1:20.

## Orange Twister All Purpose Cleaner Concentrate

Orange Twister All Purpose Cleaner Concentrate is an effective cleaner/degreaser with a fresh orange fragrance. It has a neutral pH and can be used to remove ink, oil, paint, blood stains, grease, candle wax, liquor, wine, coffee & tea stains, vomit and pet stains, etc.
